

# Ulster Medical Society

**NINTH LECTURE**

## **Professor Dan Bradley**

**Professor of Population Genetics**

### **“Ancient Irish Genomics & Human Origins on the Island”**

**Suitable for Medical and Non-Medical Audiences**

**Thursday 16 February 2017**

**8.00 pm**

**Seminar Rooms 5 & 6  
Whitla Medical Building  
Lisburn Road, Belfast**

**This lecture is open to all registered medical practitioners, medical students and other interested health professionals.**

*The Ulster Medical Society was founded in 1862 by the amalgamation of the Belfast Medical Society and the Belfast Clinical and Pathological Society.*

✱

*It is a general medical society and ordinary membership is open to everyone eligible for registration under the Medical Acts.*

**Medical students in the UK may join as student members for free and certain non-medical health professionals may join as associate members.**

**Please visit the website for more details and an application form.**

✱

*The Society holds a series of lectures from October to March on topics of general interest. The lectures are open to all members of the Society and interested healthcare workers.*

✱

*The Ulster Medical Journal is published three times a year. It is sent free to all non-student members of the Society. The Editor always welcomes offers of papers.*
