

# Ulster Medical Society

## THE DESMOND WHYTE LECTURE

*The Ulster Medical Society was founded in 1862 by the amalgamation of the Belfast Medical Society, the Belfast Clinical and Pathological Society, and the Ulster Medical Protective Association.*

\*

*We are a general medical society and ordinary membership is open to everyone eligible for registration under the Medical Acts.*

\*

*Medical students may join as student members for free and certain non-medical health professionals may join as associate members.*

\*

*The Society holds a series of lectures from October to March on topics of general interest. The lectures are open to all members of the Society and interested healthcare workers.*

\*

*The Ulster Medical Journal is published three times a year. It is sent free to all non-student members of the Society. The Editor always welcomes offers of papers.*

\*

*Please visit our website for more details and application forms.*
