

# Ulster Medical Society

**SIR THOMAS AND LADY EDITH DIXON LECTURE**

## **Professor Irene Roberts**

**University of Oxford**

### **GATA1, trisomy 21 and leukaemia— unravelling the link**

**Thursday 19 March 2020  
at 8pm**

**Postgraduate Lecture Theatre  
Belfast City Hospital  
Lisburn Road, Belfast**

**This lecture is open to all registered medical practitioners, medical students and other interested health professionals.**

*The Ulster Medical Society was founded in 1862 by the amalgamation of the Belfast Medical Society, the Belfast Clinical and Pathological Society, and the Ulster Medical Protective Association.*

*\**

*We are a general medical society and ordinary membership is open to everyone eligible for registration under the Medical Acts.*

*\**

*Medical students may join as student members for free and certain non-medical health professionals may join as associate members.*

*\**

*The Society holds a series of lectures from October to March on topics of general interest. The lectures are open to all members of the Society and interested healthcare workers.*

*\**

*The Ulster Medical Journal is published three times a year. It is sent free to all non-student members of the Society. The Editor always welcomes offers of papers.*
