

# Ulster Medical Society

**JOINT MEETING WITH THE BCH MEDICAL STAFF**

The Ulster Medical Society was founded in 1862 by the amalgamation of the Belfast Medical Society, the Belfast Clinical and Pathological Society, and the Ulster Medical Protective Association.

\*

We are a general medical society and ordinary membership is open to everyone eligible for registration under the Medical Acts.

\*

Medical students may join as student members for free and certain non-medical health professionals may join as associate members.

\*

The Society holds a series of lectures from October to March on topics of general interest. The lectures are open to all members of the Society and interested healthcare workers.

\*

The Ulster Medical Journal is published three times a year. It is sent free to all non-student members of the Society. The Editor always welcomes offers of papers.

\*

**Please visit our website for more details and application forms.**
